BKV Group Receives Three International Interior Design Association “Fresh, Artistic and Brilliant” Awards

Minneapolis, Minnesota — May 2, 2005 — Boarman Kroos Vogel Group (BKV Group), a Minneapolis based architecture, interior design and engineering firm is pleased to announce receiving three International Interior Design Association (IIDA) Northland Design FAB Awards. This award program recognizes excellent Interior Designs that offer Fresh, Artistic and Brilliant design resolutions. With over 30 entries, BKV Group are recipients in two categories:

Government: Edina City Hall and Police Facility, Edina, MN

Commercial: Excel Bank Corporate Headquarters, Minneapolis, MN

PLUS Excel Bank Corporate Headquarters was also recognized as the overall Grand Prize Winner and the award submission will go on to compete at the national 33rd Annual IIDA competition in Chicago in 2006.

Founded in 1978, BKV Group is a 70-person multi-disciplinary firm, providing architectural, interior design, structural, mechanical and electrical engineering services, and construction administration services. These services are applied to a variety of project types including: corporate, financial, educational, residential, governmental, religious, retail, manufacturing and restoration.
