Hudson Area Library

Minneapolis, Minnesota — July 16, 2010 — BKV Group, a Minneapolis based architecture, interior design, landscape architecture, engineering and construction administration firm is pleased to announce the Opening of the expanded and newly renovated Hudson Area Library in Hudson, Wisconsin.

The library now occupies the former Xcel Energy / Erickson Diversified Foods Building at the corner of Vine and First Streets, situated along the St. Croix River and Lakefront Park. The original facility was previously designed by BKV Group. The newly-renovated library has 20,000 square feet on two floors and offers over 68,000 items, an expanded children's library, a pre-teen and teen reading room, a computer lab, and study and meeting rooms.

The space is flooded with natural light, has commanding views of the St. Croix river and incorporates many environmentally friendly materials and features. The first floor includes a spacious atrium, the circulation desk, computer lab and the DVDs and CDs. The second floor is home to the children's library, a teen reading room, a digitally equipped central community meeting room, the periodicals and the adult fiction and non-fiction collections. There is also a dedicated History Room, WiFi access throughout, and several study and meeting rooms as well as the Friends of the Library Bookstore.

A grand opening event is scheduled for August of 2010
